

INTERNSHIP PROGRAM AT JIVANTU TECH

JIVANTU TECH: -

Jivantu Tech is a leading IT company based in Pune, Maharashtra, with 15 years of experience and a team of highly qualified technical experts. We specialize in web development, e-commerce solutions, software development, mobile app creation, and cloud server management. Our mission is to provide innovative and reliable solutions that help businesses thrive in the digital world.

Jivantu Tech also offers IT Training and Internship Programs to help candidates develop essential technical skills. Our programs are designed to provide hands-on experience and industry-relevant knowledge. By joining, candidates gain valuable expertise, preparing them for successful careers in the IT field.

INTERNSHIP PROGRAM: -

At Jivantu Tech, we proudly offer dynamic internship programs as part of our global initiatives. These programs are crafted to enhance the skills of students, professionals, trainers, and private and government officials by developing their expertise in software development, web development, and mobile app development using technologies like Python/Django, ReactJS, Node.js, PHP/Laravel, Android/Flutter, HTML, CSS, Bootstrap, and more. Our mission is to equip participants with the knowledge needed to thrive in these ever-evolving domains.
